Product Description

South Australian grown & produced essential oil from the Scented Emu Bush "Eremophila alternifolia" flat leafed form. There are many forms of this special plant in remote regions this one predominantly lives above Uluru. This is a World First the production of this unique Essential Oil produced directly from the only commercial grove of the plants anywhere. Why not wild harvest? well sustainability is the key and by not doing this Sacred Grove is aiding in the preservation of wild stands.

100 % certified organic Scented Emu Bush "flat leafed form" is the number one medicinal plant throughout central Australia; the aroma is unique and will surround you with the beauty and splendour that only can come from such a majestic plant.

Uses

- Carminative
The essential oil of this Scented Emu Bush, being relaxant in nature, May induces relaxation to the entire body
- Grounding
The essential oil places you in direct contact aromatically with the vastness of the outback of Australia, potentially grounding you to this unique Country.
- Reaffirmation
By smelling this you may regain or start anew your personal relationship with this Country through its all-encompassing aroma. There a countless other aromas awaiting distillation and expression this is just the beginning.

Directions for Use:

- **Diffusion:** Use 3 to 4 Drops in the Diffuser of your choice
There is much discussion about placing essential oils onto the body and they are even placed into food items in Australia these choices remain entirely up to you the individual.
